**Order dated 27<sup>th</sup> February 2024**

The Complainant is a resident of EMS Nagar Flat Complex. In the compound of the Flat Complex, the nuisance of stray dogs are increasing. These dogs are mostly violent in nature. The residents are afraid to leave the house because of the stray dog's nuisance. Association officials are not doing anything in this regard. This is the complaint.

The secretary, EMS Apartments Owners, Association filed a report. The relevant part of the report is as follows:-

"The Association brought the matter to the attention of the ward councilor and the Corporation. Although the Corporation people caught dogs

from the premises, they brought those dogs back to the scheme area itself after sterilization, which is the practice being followed by the Corporation. Controlling those dogs from entering the premises and their menace is beyond the scope and control of the Association, despite all earnest endeavors made to avoid such danger. Therefore it would be grateful to the residents of the scheme area if this Honorable Commission could intervene in the matter and give strict directions to the State Authorities including Corporation, Animal Husbandry Department etc., to avoid the menace of stray dogs in the EMS Nagar PHAS area and to save the resident from the attacks of stray dogs.”

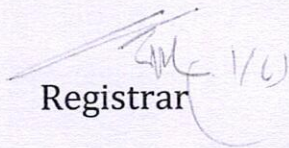

The Commission examined the complaint and the report. It appears that the office bearers of the association have lodged a complaint to the Thiruvananthapuram Corporation. Hence the Secretary Thiruvananthapuram Corporation is directed take necessary steps to control stray dogs in the area of the EMS Nagar Flax Complex and file report within one month.

With the above direction the case is disposed off.

A copy of the order is to be sent to the Secretary , Thiruvananthapuram Corporation as well as the petitioner.
