ORDER

Both the petitioners appeared before me and they were informed of the contents of the report of the Circle Inspector of Police, Contonment Police Station. The petitioner admitted the contents and only wanted this Commission to give a direction to Police not register any case against them if any complaint is given by the respondent. I am afraid that no such blanket direction can be issued by this Commission by directing the Police authorities not register any crime if a complaint is received by any of the respondent. No further orders are required in the petition. The petition is accordingly closed.
