The respondents are the son and daughter-in-law of the petitioner and the petition mentions about the property dispute between the parties. The complaint of the petitioner is that on account of the property dispute the respondents assaulted her and are not allowing her to live in her house and that neither the Sub Inspector of Police, Kilikollur Police Station nor the Circle Inspector of Police, Kollam East Police Station is taking any action on her petition.

The Superintendent of Police, Kollam, forwarded the enquiry report of the Deputy superintendent of Police, Kollam and in the report it is stated that a quarrel occurred between the petitioner and the respondents regarding sharing of the family property but the respondents did not harass the petitioner mentally or physically and the petitioner left her house voluntarily. According to the report, the Dy.S.P summoned the parties and the respondents were directed to take care of the petitioner and the respondents took the petitioner to their house and the

respondents were also warned not to harass or cause nuisance to the petitioner in future and that the allegation of assault by the respondents on the petitioner is false.

The report shows that the dispute is between the family members, which is civil in nature and hence no further action is required on this petition.

The petition is closed.
