ORDER

The complaint of the petitioners is that their brother possessed their family property and refused to give the share of the property to them.

A Member of this Commission took the petition on file and registered the above HRMP. After the Member demitted the office the HRMP is now placed before me.

I have perused the complaint. The averments in the complaint show that the dispute is between the family members relating to property which is civil in nature.

As this Commission has no jurisdiction to pass orders in civil disputes the petition is closed in view of clause 17 (f) of the Kerala State Human Rights Commission (Procedure) Regulations, 2001.
