**ORDER**

The petitioner appeared before me and the contents of the report of the Kerala State Financial Enterprises Ltd. were explained to him. In the said report it is stated that the value of the property which was given as security for future liability of the chitty is low. As per the norms of the KSFE the value of the property should be at least twice the future liability in the chitty concerned. It is further stated that he requested for the return of the property documents submitted and promised to come without delay to collect them but he did not turn up as promised and therefore a letter dated 14.02.2007 was sent to him. The petitioner on the details given in the report stated that he will seek his remedy before an appropriate forum and in view of the above no further action is required. Hence the petition is closed.
