ORDER

The petitioner appeared before me. She was informed of the contents of the report filed by the Chief Investigation Officer attached to this Commission. On knowing the contents of the report she also admitted that police have registered a case against her son and produced him before the Court. I am of the view that no further direction can be issued since the matter had become subjudiced as this commission cannot consider the truth or otherwise of the allegation in Crime No.149/07, as it is to be decided only by the competent court. The petition is accordingly closed.

Chairperson, KSHRC.
