ORDER

The petitioner is present. He was informed of the contents of the report of the Regional Joint Labour Commissioner, Ernakulam in which it is stated that in view of the agreement between the Management and Construction and Contract Workers Union the Management is not able to engage the petitioner for work since according to the agreement entered in the year 1998 workers have to be engaged for construction activities only from the list submitted by the Union and if the Union is not including the name of the petitioner the Management will not be able to take the petitioner and deploy him for the work. The petitioner has understood the report and informs this Commission that he will take other legal remedies before the Court. In view of the above no further orders are required. Hence the petition is closed.
