ORDER

The complaint by the petitioner is that her son is being physically abused by the jail officials and on being asked to enquire the Chief Investigation Officer (CIO) filed a report stating that the petitioner informed him that she does not wish to pursue the matter since her son who is released from the prison is leading a decent life by working as a daily wage labourer and now living with the petitioner and her relatives.

In view of the above report no further orders are required.

The petition is closed.
