ORDER

The petitioner is present. The complaint of the petitioner is that his son Bijukumar who went along with his friends did not return and later his dead body was found near a bridge with his neck broken. According to him, no proper investigation is being conducted by police.

A report was called for from the Superintendent of Police, Rural, Thiruvananthapuram in which it is stated that a crime in crime No.484/06 was registered u/s 174 CrPC on the basis of the statement of Binukumar, brother of the deceased. According to the report, the body was subjected to postmortem and the death was due to head injury as opined by the doctor. In the report it is further stated that the investigation was entrusted to Crime Branch on 25-8-2006.

Accordingly a report was called for from the Inspector General of Police, Crime Branch, Thiruvananthapuram and obtained. In the said report though it is stated that they do not found any suspicion about the cause of death of Bijukumar it is not mentioned as to the final conclusion arrived at by the investigating officer. It is also not mentioned in

...2.

the report whether the investigating officer has filed the final report before the court either charging the accused in the crime or referring it.

In view of the above, I find it necessary to direct the Director General of Police, Thiruvananthapuram to see that the investigation is conducted in an expeditious manner and file the final report if it is not already over and if the investigation is already completed and a final report was already filed before the court then the petitioner shall be informed of the said fact by giving him the refer report so that the petitioner can work out his remedies before the appropriate legal forum.

With the above observation the petition is closed.
