**ORDER**

The petitioner appeared before me and she was informed of the contents of the report filed by the Circle Inspector of Police, Varkala. She also admitted that as regards the dispute she filed a case before the court and later she withdrew it. The report also shows that the respondent also filed a case and it was dismissed for default. He has filed an appeal before the High Court. The facts show that the matter relates to property dispute between the petitioner and the respondent and as the dispute is civil in nature no further orders are required to be passed by the Commission. The petition is accordingly closed.
