Petitioner : Intimation from the Superintendent, Special Sub Jail,
Kottayam, regarding the death of Saji @ Micher Saji,
U.T.No.1844.

Respondent :

ORDER

On receipt of an intimation from the Superintendent, Special Sub Jail, Kottayam, regarding the death of Saji alias Micher Saji, U.T. No. 1844 on 4-1-2010 at the Medical College Hospital, Kottayam, the Superintendent was directed to file a detailed report annexing the inquest report and the postmortem certificate. Accordingly the Superintendent has filed the same.

On going through the inquest report I find that during the time of inquest Sasi, uncle of the deceased was examined who did not express any suspicion regarding the death of Saji. I have also perused the postmortem certificate which shows that the cause of death, according to the opinion of the doctor who conducted the postmortem, is death due to infective multi system disease (natural disease).

In view of the above, no further orders are required on this petition and the petition is hence closed.

Justice N. Dhinakar,
Chairperson.
