O R D E R

The petitioner is present . The complaint of the petitioner is that he was beaten by the Sub Inspector of Police, Thripunithura, on 10-12-2007.

In the report submitted by the City Police Commissioner, Ernakulam, it is stated that a crime was registered against Surjith, who is the petitioner's son as well as against his friends Akhil, Sanoop, Saji and Pranav in an alleged incident at Puthiyakavu and the above complaint is only a counter blast to the crime registered against his son and his friends.

The petitioner before me submits that he had taken treatment at R.C.M. Hi-Tech Multi Speciality Hospital, Thripunithura, and in support produces a discharge summary reports issued by the said hospital. He also produces discharge summary reports in respect of Pranav, Akhil, Saji and Sanoop who are the accused in the crime referred to in the report. The discharge summary show that the petitioner and others were admitted on 18..12..2007 though according to the petitioner they were beaten by the S.I. on 10..12..2007. It is also seen from the discharge summary that he has made any

allegation to the doctor that he was beaten by the S.I. and now submits that he went to the hospital along with others on 18..12..2007 since he and others felt pain only on that date. In the above circumstances the petitioner is at liberty to file a petition and produce the medical certificates before the City Police Commissioner, Ernakulam, who then will conduct an enquiry into the allegations and decide the matter.

With the above direction the petition is closed. Send a copy of this order to the City Police Commissioner, Ernakulam.

Justice N.Dhinakar,
Chairperson, KSHRC.
