ORDER

This is a petition filed by Gunavathy Action Committee constituted for ensuring fair investigation regarding the unnatural death of Smt. Gunavathy. On 13/12/2006, the dead body of Smt. Gunavathy was found inside the well and superficial burns were seen involving the whole body except the face and feet. Regarding the incident Police had registered crime No. 542/06 of Hosedurg Police Station and final report was submitted before the RDO to the effect that it is a case of suicide.

After filing WP(C) 31020/07 before the Hon'ble High Court, the action committee filed complaint before the Judicial First Class Magistrate and on that complaint, the Magistrate had directed the police to investigate the matter under 156(3) of the code of criminal procedure code and the police had registered as crime No 237/09 and the investigation is still going on.

The case diary in crime No 237/09 was summoned by me and perused the same. The investigation is going on and the police will file the final report before the concerned court and the court will decide whether the same be accepted or not.

The petitioner has the liberty to approach the court after filing final report.

Petition closed.
